Guidelines for the Signage

Here are the options for your sign:

- **Black Lives Matter** (our strong recommendation)
- **All Lives Matter When Black Lives Matter**
- **Black Lives Matter, Too**
- Any fallen black person's name in memorial. For example,
Trayvon Martin, 17. February 26, 2012

Dear Friends and Participants,

Please set aside your own interpretations on the certain signs. This is not about our own opinions or likes and dislikes. It is about our Black community's dire wish.

We humbly ask you to be respectful to the wishes of our Black community.

Sincerely,

Ock Hee Hale
